Fees due at registration.

THIRD-GRADERS!

Delta County Third Graders!

If you've just finished 3rd grade, swim lesson vouchers are available from the

Nature Connection's GOCO Inspire Grant Funds. Swim vouchers will be handed out in each third grade class in

May, or may be picked up at The Nature Connection

building by appointment. Once you have your voucher, you must register at the pool. Classes fill up and are first-come,

first-served. Possession of a voucher does not ensure a spot in a class, so make sure you register at the pool early. Thank you Nature

Connection and GOCO for providing this opportunity to our 3rd-graders!
